

2.3.2 Does your university as a body provide interventions to prevent or alleviate hunger among students and staff? (e.g. including supply and access to food banks/pantries)

### **Evidence of 2.3.2.1**

#### **Food Pantries for Students and Staff of BRU**

The university has a policy that all faculties and majors have break rooms, with a dedicated food pantry set up for assistant students and staff. The food provided includes dry food, tea, and coffee for breaks during the working day. In order to reduce the cost of purchasing food breaks for students and staff as well.
