

2.5.1 - Does your university as a body provide access on food security and sustainable agriculture and aquaculture knowledge, skills or technology to local farmers and food producers?

Evidences 2.5.1.1

Food Producers

Our university helps local farmers and food producers by sharing information about growing food in a sustainable way. We want to make sure they have the knowledge and skills they need for successful agriculture and aquaculture. Our goal is to support the local community and ensure there's enough food for everyone.
